My Workflow Strategy

Collaboration: Brainstorm with internal stakeholders for Problem Resolutions and Ideas to Grow Revenue.

Core Sales: Drive High Value sales pitches and Mentor Team's Progress towards the Assigned Goals.

Execution: Ensure successful execution of the Business Goals and expectation of Business Partners.

Training: Train the team to progress Personally and Professionally. Direct external events with Clients and Agencies.

Sales Strategy: Develop and Review
Annual and Quarterly Team Strategies to
meet Business Goals.

Portfolio Piece 1: Performance Projection with ICICI Lombard General Insurance

So, Why listing this project?

This Project is special as this was the first big value closure and execution of a goal driven campaign using data analytics and machine learning.
